Rounds Shot FITA 18m Round, followed by Individual Match Round

Sponsored by Clickers Archery & Wales Archery Specialists

Tournament Organiser's Comments.

This was the first time that all archers were able to shoot at the same location and on the same day. We were also able to accommodate more trade stands than previously.

Of course the weather could have had a major impact on the event. Heavy snow in the week before the shoot, predominately in the east and north of the country caused problems for some. Naturally we understand that some were not able to make the journey, but even so but about 80% were able to attend. Thank you for making the effort.

Thanks to Wales Archery Specialists and Clickers Archery in particular, and to all the exhibitors with trade stands at the shoot.

Our grateful thanks to the Tournament Committee, work party, judges and the Telford International Centre staff for their help in running the event.

Archers should refer to the relevant Tournament page of the GNAS web site and the pages of Archery UK for details of the next National Indoor Championships.

We will be happy to receive your views about the new location. Comments please to senior.indoor@archerygb.org
